CELEBRATIONS FOR THIS WEEK

Nil again this week

DAVID'S DIARY

We recently made a donation of \$1,000 through the Central Goldfields Shire Council to the Carisbrook Recreation Complex to assist with repairs to the complex following the January floods that affected central and northern Victoria.

Letters of appreciation from the Complex and Council have been received. Our assistance has been very much appreciated.

Thanks to everyone who helped to raise the funds from which the donation was made

Many thanks to Doug Berwick for organising last week's talk on prepaid funerals and funeral insurance. It was a very interesting and informative discussion.

We have commenced the process of preparing next year's Board to take over leadership of the club. A meeting will be held after the club meeting on 16 May to brief next year's board on the projects undertaken this year and its key responsibilities. Thanks to everyone who is participating in the meeting.

Bob Laslett, Gary Baltissen, Bill Marsh, Glenys Grant, Warwick Stott and I attended District Assembly last Saturday. The Assembly was interesting and provided a good briefing on the roles of the Service Directors and office bearers. Personally, I was a little disappointed with the scarcity of information on District's plans for next year. Hopefully, more information will be provided in due course.

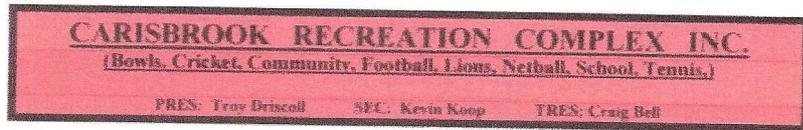

Best wishes to you and your families for the week ahead as we continue building communities and bridging continents.

Meeting Report for 9 May 2011

Our meeting of Monday 9th May was the day we were introduced to the new "Eddie Everywhere" called David who opened the meeting before handing over to visiting Rotarian Ron to chair the meeting, who after a brief introduction formalities handed the meeting back to David who filled us in with his presidential announcements whilst the first course was being served.

2nd May 2011

Mr David J Bremner
President
Rotary Club of Forest Hill
FOREST HILL 3131.

Dear David

The Carisbrook Recreation Committee of Management would like to send our sincere thanks to you and your Rotary Club at Forest Hill for the kind donation of \$1,000.00 to help our small community recover from the disastrous floods in January 2011.

The complex is a pivotal part of our community of which our sporting bodies and community groups come together in this central hub to provide a community atmosphere.

The committee has identified that the money be used for replacement of our Audio System in the main building of which all user bodies will benefit.

Thank You Once Again.

Secretary

After a very pleasant, informative and brief 'my most memorable Rotary experience' by Rotarian Glenys Grant, visiting chairman Ron called upon Cadet David who was filling in for Private Bob, because Corporal Stuart who is filling in for Sergeant Stan (Hi Stan, best wishes for continuing recovery) who could not be with us tonight. Cadet David shows real promise to this task and we thank him for making us all dip into our pockets.

Following a most enjoyable main course, our guest speakers were then introduced. Our own, Doug Berwick, and Le Pine consultant, Joe Markham.

Doug gave a brief background introduction before handing over to Joe who spoke to a slide presentation on the differences between Pre Paid funeral plans and Funeral Insurance and gave a very clear picture of the differences in what a person may pay if they live too long. In other words if you plan to live more than another couple of years then Funeral Insurance becomes a very expensive item.

Our guest speakers were then thanked after a brief question time, and the meeting closed on time.

Our Stan and Joan

The following article about Stan and Joan Harper's wedding anniversary appeared in the Whitehorse Leader. It was a delightful day and has resulted in a delightful report. Best wishes to Stan and Joan!!

Nothing can stop our party

NOT even a hospital stay could keep Stan and Joan Harper from celebrating their 60th anniversary recently.

Mr Harper, a former Nunawading citizen of the year, has been laid up in hospital at the North East Rehabilitation centre in Ivanhoe since having a spinal operation in late February.

But thanks to his son Gary, a bus driver, he was able to make it to his special day at home in Blackburn South to celebrate with 50 of the family's closest friends.

Mrs Harper said the last few months without her husband by her side had been a tough time. "He's not the best patient at all," she said. "It's certainly been very different without him here.

"He can't walk at the moment and at this point, we're not sure when he will be able to come home."

Stan and Joan both worked at Kraft Foods and were introduced by a co-worker when Joan needed a date for a 21st birthday.

"We both discovered we lived in the same area and it just blossomed from that," she said.

The couple have three sons, Malcolm, Gary and Ross, and have lived at their Blackburn South home for all but the first four years of their marriage.

"We were one of the first residents here, it's a lot different now to what it used to be," Mrs Harper said.

"The boys could just walk to school through all the empty paddocks, you couldn't do that now."

Youth Exchange

Ron Brooks has provide this photograph of Mizuki, our former youth exchange student from Japan, and her family.

Footy Tipping

Bill has kept his form and still clings to first place. The field is packed with a couple of good movers climbing the ladder last week. Go Cats.

Mock Job Interviews

The mock job interviews will be conducted at Forest Hill College on the evening of 18 May commencing at 7.30pm. Thanks to those who have volunteered to act as interviewers - Graham Sharman.

"It is a man's job to be a good Rotarian and he who lives up to the precepts will be a good neighbor, a kind friend, a loving husband, a companionable father and an asset to the community in which he lives." - Paul P. Harris - [Message to the Rotary Club of New Orleans](#), May 1917 (courtesy of RGHF Exec VP Prakash Saraswat)

I've always wondered this myself... and now I know!!

People born before 1946 were called **The Silent Generation**.

The Baby Boomers are those born between 1946 and 1959.

Generation X people have been born between 1960 and 1979.

Generation Y were born between 1980 and 2000

Why do we call the last group **Generation Y**?

I always thought it was because they say....

Y should I get a job?

Y should I leave home and find my own place?

Y should I get a car when I can borrow yours?

Y should I clean my room?

Y should I wash and iron my own clothes?

Y should I buy any food?
