Mike's Musings

This may or may not be my last hurrah in the newsletter. Regardless, the YCA was a great way to finish off the formal portion of my Rotary year. I've learned a lot. And while I haven't accomplished everything I'd hoped the club is slightly bigger and hopefully slightly more engaged than it was at the beginning of the year. It's been a pleasure and an honour to have had the role.

Please continue to:

- Dob in extra names for our 'auxiliary and friends' network email list.

President's Reflection June 3

Tonight, we honour some young people for their citizenship, so I want to just talk very briefly about what I think citizenship is. This year's Rotary theme is 'Be the Inspiration'. Next year's is 'Rotary Connects the World'. And I think we can use those two ideas to talk about citizenship.

I think there are three parts to citizenship: The first part is recognising that we're connected to others. You're connected to others in your local area, your country and the world. The second requirement is to understand that we can do something, as ordinary people, to make things better for the people we're connected to—big or small. And the third thing required is to get stuck in and do it. A lot of us understand we're part of something bigger—a school, a town, a nation, a planet. Some fraction of us grasp the idea that it is within our power to do something positive in the service of others. A small percentage of that smaller group get on with it and accomplish the thing they know is possible. An even tinier subset can inspire others with the result of their good work. You are that rare and precious fraction of the population.

It is one of our club's greatest honours and privileges to be able to participate in recognising young people who know they're connected to something bigger than themselves, who make a positive change in the world and who inspire others around them to do the same. It's one thing for us to do it. We have an organisation backing us up, and a lot of educational and financial resources at our disposal. But when a young person engages in something like this without an already-existing structure, it's a little bit like building the plane as you fly it. With that in mind, a reminder that you have an opportunity to start accessing those resources. Interact is the Rotary organisation for high school students. Rotaract is the Rotary organisation for those 18-30. It's a dynamic organisation that has the same focus on service and ethical standards as Rotary does, just a bit younger.

Meeting report June 3

The event was held on the evening of June 3, 2019 at Bucatini Restaurant, Mitcham.

President Mike Finke opened with an eloquent moment of reflection on Rotary and Youth.

He proposed toasts to:

- ☐ Rotary International
- ☐ Australia

Chairperson for the evening Ray Smith then welcomed our guests ie Rotary 9810 Assistant Governor Joan Young and Assistant Governor Elect Geoff Logie-Smith; Guest speaker Issy Jacques, her mother Tracey; our Year 8 student awardees, their families and supporting school staff members; Rotary partners and Rotary friends.

Each Rotarian host then introduced the awardees, families and guests on their table as dinner was served. Following the delicious meal Chairperson Ray briefly spoke on District Youth programs and activities, to give the audience of youngsters and their families an idea of the excellent Rotary programs available. He also mentioned the recent win of the Model United Nations Assembly team from Box Hill High, who were sponsored by our Club, and that they will be attending the National MUNA competitions in Canberra.

Chairman Ray then introduced our Speaker, Issy Jacques, who gave an excellent talk about the Rotary National Youth Science Forum and how it had greatly benefited her scientific abilities and knowledge.

As a record of our appreciation President Mike Finke gave a vote of thanks to Issy and gift of a beautifully crafted wood turned Ray Smith pen.

Ray then explained the Youth Citizenship Awards, which is an award for unsung heroes in the school community. It is unique to our Club and aimed specifically at Year 8 students to help fill a perceived small gap in the excellent and very comprehensive District Youth program.

Certificate giving then proceeded, with each school's staff member reading out a citation on the Awardee explaining why the school had chosen them. This was a wonderful moment and brought tears to the eyes of some listeners. Each Awardee was then presented with a framed certificate from AG Joan Young and an \$80.00 gift voucher.

Award winners were:

- Blackburn High School awardee James Grubb, supported by Claire Greve and Anthony McGirr
- Box Hill High School awardee Suhani Bede, citation read by AGE Geoff Logie-Smith
- Forest Hill College awardee Alice Roberts, citation read by in-coming RCFH President Stuart Williams
- Kingswood College Awardee Brendon Black supported by school representative Melinda Blake
- Vermont Secondary College awardee Kaden Curtis supported by school representative Kelly Stals.

YCA Group L-R President Mike Finke, Kaden from Vermont Secondary College, Brendan from Kingswood College, Speaker Issy Jacques, Suhani from Box Hill High School, James from Blackburn High School and Alice from Forest Hill College President Mike Finke then closed the evening with thanks to all. Photos of the evening were taken by Club Official Photographer Ray Smith.

RYDA UPDATE

Martine has offered to join the merry band of RYDAs on the 11th June as well as making brekkie at Forest Hill Secondary beforehand so she will down tools as soon as possible there and head off to Lilydale for a day of RYDAing. Sue, Anna, Hans, Barb and Bob are the rest of the merry band so Stuart can remain sitting on the interchange bench.

The 17th June RYDAing at Sandown needs 3 or 4 and we have Barb and Bob and Sue may be a starter and we have Stuart sitting on the bench able to come on and play if needed so we look ok now for both days.

Thanks
Bob W
