## **DOUG'S DEADLINE**

I hope you all enjoyed your long weekend and the weather that came with it.

Our thoughts must still go to our fellow Victorians in the North who have again been inundated by floodwaters. I hope that, as a Club and a District, we again look to finding ways of providing support to the Rotary Clubs and their communities in the affected areas.

On a more positive note, I am now in a position to provide a report to the Club on the major project/s that we have been discussing for several months. Unfortunately, you will have to wait until our meeting on Monday to get the details or wait for next week's Flyer.

I also want to mention the request for a volunteer to represent the Club on a Cluster Committee being formed to promote Rotary within the City of Whitehorse or other appropriate areas. As I mentioned last week, we have two opportunities this year to promote Rotary at an exhibition and festival but need a group to organise the stand and roster members from the Cluster to be present. I'm not sure how much work will be involved but envisage that the Volunteer Expo in May will be fairly easy to arrange. This will provide the groundwork for an expanded presence at the Whitehorse Festival which is being held on Sunday 23 October. It is a great opportunity to build the profile of Rotary within our Community at a small cost to all of us.

On another positive note, preparations for the International Service Seminar that is being hosted by our Club at 'Casavini', Doncaster East, on Monday 14<sup>th</sup> May is well in hand. Glenys and her Committee have been working with the Chair of the District International Service Committee, Ian Armstrong, to ensure the evening is informative and runs smoothly. Likewise, arrangements for hosting the visiting GSE team from Texas are being finalised. With all this activity and Easter rocketing (or should I say hopping) toward us, the end of this Rotary year is rapidly drawing to a close. However, there are still a few things to be dealt with including our District Conference in April.

Until our next meeting, enjoy your week in Rotary.

Doug Berwick  
President

## **RESIGNATION**

Helen McNamara has resigned from our club. We thank Helen for her contribution to the life and work of the club and extend our best wishes for the future.

## **CHANGES TO THE CLUB'S CONSTITUTION & BYLAWS**

At our meeting on 26 March, we will vote on proposed changes to the club's constitution and bylaws. All Rotary clubs are required to make these changes as a result of the decisions of the last Rotary International Council on Legislation – Rotary's law-making body.

On 27 March, Secretary Bill Marsh issued formal notice of the meeting together with details of the proposed changes. Unfortunately, because of a Probus commitment, I won't be able to attend the meeting and therefore if anyone has any questions about the proposed changes can you please speak to me at Monday's meeting or prior to 24 March. At the Board's request, I prepared the proposed changes and therefore can hopefully answer any questions.

### **ROTARY CLUB OF FOREST HILL FOOTY TIPPING COMPETITION**

Time is running out and to date only four people have signed up for the tipping competition. This is an invitation to join Forest Hill Rotary's footy tipping comp for 2012. Cost is \$30 of which \$23 is for prizes and \$7 for Rotary projects.

It is easy to join up. Just highlight the URL below and it will take you to the correct page/comp. Put in your details and I will collect your money SOON. Footy starts in 11 days. It is good fun - they send you a reminder each week, and you still get some selections EVEN if you forget to put in your tips

I would love your name to come up on my computer that you have joined.

### **PERIDOT THEATRE**

#### **The Peppercorn Tree**

Fri 4 May 2012 8:00pm

Directed by Tim Long

In Tobruk in WW2 during an early morning raid, Jonah Cloake makes a split second decision. The fallout takes root and grows to overshadow his life and future relationships, especially with his wife and only son. Burying his guilt under a veneer of jibes and humour, Jonah has succeeded in avoiding his past for decades. Now as he nears the end of his life, the aging Jonah reluctantly agrees to record his memoirs with a biographer and in the process is forced to confront his demons. Humorous and deeply moving, The Peppercorn Tree is a story of mateship, love, regret and reconciliation.

An attendance sheet will be circulated at the meeting on 19 March for you to indicate your attendance. If Friends of Rotary wish to attend, please contact David Bremner by 19 March.

Inspiring projects, notable speakers and lots of fun is in place. All we need now is you - the brightest and best of D9810.

No big transport costs, no extra hotel nights, a big full-blooded conference using the weekend: main plenaries in Peninsula Room, Pier 14 Docklands, April 21-22, 2012 and Gala Dinner at the Great Hall, NGV on the Saturday night. Go to Trybooking for your Conference registration.

**And now a request:** If I asked you the question: "what's behind the Rotary wheel"? How would you answer? Well, let me tell you who I think is the strength "behind the Rotary wheel" and that is our Partners. So, a highlight of this year's Conference will be a Q&A session exploring that very question. **We need some volunteers** and are looking for Rotary Partners to play a special role in this segment. Can you ask your Partner please - or encourage other Partners from your club to contact me by email if they would like to hear how they can get involved
