## **DOUG'S DEADLINE**

District 9810 Conference for 2012 has come and gone and as a first time attendee (even noted on my name tag), I found it worthwhile. I believe each conference is different and for me this one was a mix of good speakers and Rotary projects and messages. The one thing that impressed me the most was the presentations by the younger generation participating in things like Youth Exchange, Interact, GSE, etc. I was particularly impressed by a young lady by the name of Natasha Madan who established Interact at her school. Her passion for Interact and her enthusiasm, both for the program and on the day, was amazing. It is not hard to predict a very bright future for her.

The other speaker that impressed me the most was RIPPR – Ravi Ravindran. He spoke three times during conference and each time his mix of humour, insight and enthusiasm ensured that his message hit the mark. This is not to lessen the quality of the other keynote speakers as they were all top-notch and had their own messages to give us. Several speakers had Rotary connections, whether it was through family or participation in a Rotary program, and they spoke of the positive aspects of that connection.

I was fortunate to have Bob and Judy Laslett and Glenys Grant as fellow attendees as that helped make the conference a very pleasant event for me. I also had the pleasure of attending the Gala Dinner at the National Gallery of Victoria. Lovely surroundings, good entertainment but the 'gourmet food' was a little disappointing. I must admit I am glad I did not take up the offer of purchasing a ticket for Tracey to attend for the cost of \$195.

As Bob Laslett has already mentioned, the conference next year will be held in Wangaratta and I am sure the attractions of the area will appeal to many.

Thank you to those members who indicated that they could assist at the Volunteer Expo on Wednesday 2nd May, it is very much appreciated.

Those taking office for next year are reminded District Assembly will be held on Sunday 27th May at the Hemisphere Conference Centre, 488 South Road, Moorabbin (Melways 77 H5).

Please mark this date into your diary.

Enjoy your week in Rotary.

Doug Berwick  
President

## **LAST WEEK'S MEETING**

Chris Tuck chaired last week's meeting which was attended by 14 members.

Sergeant Stuart Williams raised a small fortune for the Rotary Foundation (\$30 odd) during his fun and fines session.

We had reports from Glenys Grant and John McPhee on their portfolios. John advised that the three annual apprenticeship awards will be made at our meeting on 25 May. Glenys reported on the successful Group Study Exchange Team visit and mentioned that the club will be seeking to recruit team members for the outgoing GSE team leaving next November.

President Doug, Bob Laslett and Glenys Grant reported on last weekend's District 9810 Conference. The venue was excellent with attendees sitting at round tables rather than in the usual theatre-style seating. The speakers were interesting and dealt with a wide variety of community and Rotary activities. The Conference Dinner was very successful and featured three singers who dressed like members of the catering team. Doug noted that it was his first conference and he was very impressed.

The 2012 Conference will be held in Wangaratta and Bob Laslett will be organising our accommodation. Please let Bob now as soon as possible if you think you may be attending.

David Bremner reported that the Conference Golf Day was successful although the numbers were down on previous years. The Ford Davis Endeavour Award for the golf day was won the Rotary Club of Waverley. The prize of \$500 will go to a Rotary project chosen by the Waverley club.

Stan Harper gave an interesting and topical address on his experiences as an Australian Air Force wireless operator attached to the American forces in the Pacific during World War Two. Stan's duties included learning Morse code in the Japanese language.

It was interesting that food often got a mention in Stan's address – particularly the chilli con carne which Stan thought was an American recipe with far too much pepper! He was surprised to find out that it was made by Kraft in Melbourne.

Committee meetings were then held.

### **FORD DAVIS ENDEAVOUR AWARD FOR THE DISTRICT CONFERENCE GOLF DAY**

Whilst the number of delegates who played golf was disappointing, the players still had a great day of golf and Rotary fellowship. All who played agreed it was a very enjoyable event.

The winners of the event were Wil Cornelissen and Barry Muldoon from the Rotary Club of Waverley who were thrilled to receive the Ford Davis Endeavour Award provided by the Forest Hill Club.

Gary Amott (Chairman), Golf Day Organising Committee
