## BOB'S BANTER

Great to have so many members and partners plus Joan Harper, Judy and Bill's daughter Delene and our new member Hans and his wife Anna.

Thank you to Bill for chairing and also for being a part of the dynamic duo with Bob Laslett, showing us around Sri Lanka with your patter and lovely photos. Bill, your bribes of chocolate to keep everyone alert but not alarmed also worked a treat.

Terrific to have Hans join us and he has jumped in feet first with working at the Blackburn market Saturday and he and Anna are helping out at the RYDA day on the 19<sup>th</sup> April. We still need one more volunteer for this day please. Stuart advised me that the two chalkies (Ray and Stuart) as cashier and recorder, actually **balanced** it all so very well done!

Thank you to all who volunteered their time for our two markets as the second weekend monthly is always busy but more so when we have the egg and bacon duties at the Whitehorse Farmers' market which we did Sunday. As usual, Warwick's family helped out cooking and selling our egg and bacon sangers as they have for several years now. Barbara and I did the collecting at Blackburn and again told the stallholders that their site location may change from now on as the rail underpass/path work continues. When I chalked out the sites Friday there were a number of trucks and utes parked where our stallholders were to be the next day and I was told by a worker that they would try to keep the work Saturday to a minimum. Kerilyn our liaison contact with the Rail Authority told me Saturday that she had told them that **NO** work was to be done to affect our market and she was as good as her word. Thanks Kerilyn.

Details of a farewell lunch for RIPN Ian Riseley and Juliet on the 19<sup>th</sup> June are later in this edition. So far we have the Lasletts and the Brooks going and I'm also going to join in the fun, so we need to finalise numbers soon.

A further reminder to put in your diary the interclub meeting with Nunawading on the 27<sup>th</sup> April to hear from the Blackburn Rail Crossing people. So far we have Bill, Warwick, Chris, Stuart and Bob W going and we will send around the tick sheet again on the 18<sup>th</sup> April to finalise.

Fortunately the MUNA committee's quick work has saved the MUNA weekend at Parliament House, coming up with the required extra money for the additional security now required.

It will be good to have a few of us attend one or more of the sessions on the 30<sup>th</sup> April and 1<sup>st</sup> May.

Thank you to Glenys and Barbara for their pancake making efforts at Forest Hill College on Tuesday.

Kathy and John Donaghey have our movie night details being prepared for this Friday 15<sup>th</sup> April with us meeting at Melba's for pre movie dinner. I'll arrange to collect any tickets needed.

I am off to Doncaster club Wednesday night to make an Interplast presentation and Thursday night to Keysborough golf club to present the Ford Davis Golf Award which is a cheque we donate to the charity of choice of the winning golf team.

I'm looking forward to hearing Andrew Weatherhead from Compassionate Friends of Victoria addressing us on Monday night.

We have our board meeting following the dinner meeting so board members please email your reports to Bill in time for him to distribute them to all.

**Remember "Be a Gift to the World". President Bob**

## LAST WEEK'S MEETING

### MEETING REPORT

As usual Sergeant Stuart opened the meeting with a brief, thoughtful reflection and toasts to Australia and RI.

Bill then took over as the Chair for the evening and welcomed our members, partners and guests.

Although it was an 'in-house' night it was very special as we had Hans & Anna Eecen with us – Hans was to be inducted later in the evening. It was also lovely to welcome Joan Harper and Bill & Judy's daughter, Delene.

Reports were then received from the President, Treasurer, Committee Chairpersons, Fellowship and Programme.

As part of his report President Bob noted that the club had had a very busy weekend with both the Blackburn and Whitehorse Farmers' Markets. He thanked the members, partners and family members who helped out at the two markets. In excess of \$1500 was raised at the markets.

Stuart was welcomed back to run his fines session which raised \$35.40 for Foundation. President Bob then conducted the induction ceremony to formally welcome Hans to our club and the wider world of RI. Hans has been active within the club for a number of months and tonight simply confirmed his status.

Bob Laslett and Bill then spoke about their recent trip to Sri Lanka and some of the many interesting and very different things they saw in their travels. A country of great beauty filled with hard working and friendly people.

President Bob thanked the speakers for their entertaining and educational presentation. The raffle, which raised \$42 for club funds, was then drawn and the two prizes were collected by Judy Laslett and Judy Marsh.

President Bob then closed the meeting. Committees then met briefly to review their programs for the remainder of this Rotary year.

Bill (Steven Spielberg) Marsh

## SERGEANT STU'S REFLECTION

11.04.16 Reflection

We all have a dream we seek to fulfil, however our dreams sometimes get stuck in the bottom drawer or under our shoes and we never do anything about them.

Is a bucket list a purely "affluent, western cultural phenomenon" or does everybody have one? A bucket list –things you feel you absolutely must do before you "kick the bucket."

Maybe we should ask: Is a bucket list just for oldies? Generation Y seems to believe – "live now and pay later" and they're embracing that and going to see the world.

How do we regard a bucket list? Is it about the negativity of what you want to do before you die, or the positivity of achieving your dreams and looking forward to the future?

- Ride a gondola in Venice
- See the Taj Mahal
- Take a road trip on Route 66
- See the beaches of Sri Lanka
- Visit the Grand Canyon
- Visit the Hermitage
- Snorkel on the Great Barrier Reef.

Aren't we fortunate that we can find the time to create such dreams and not worry whether we can afford our rent, school fees and food.

## ENTERTAINMENT BOOKS

We are again taking orders for the ENTERTAINMENT BOOK. The cost is \$65 and the commission will be paid to Hope Katolo Nursery School in Kenya. We have supported this wonderful project for many years and recently provided them with water tanks so they can grow vegetables for school lunches,  
The book is great value. Many vouchers - Buy one , get one free meals. You only need to use it 4 times and you have covered the book cost.  
A great excuse to eat in different places.  
Contact Stuart Williams if you would like to purchase a book this year.

## FOOTY TIPPING

Our Footy Tipping has got off to a good start. Barbara Williams and John McPhee are setting the standard. The Yardin family are again picking winners when no one else can. Arrrrrgh == stupid game. Got only 3 in round 2.  
Cost \$30 and Stuart happy to collect your money now. Happy because the DangerCats are going OK.

Stuart

## FAREWELL TO IAN AND JULIET RISELEY

As you know our very own Ian Riseley and Juliet leave in early July 2016 to move to RI Headquarters in Evanston, Chicago to prepare for Ian's year as our Rotary International President 2017/18. Ian will be our fifth RI President and we should be extremely proud of Ian and Juliet.

We have arranged a Multi-District lunch at the Whitehorse Club 298 Burwood Highway, East Burwood on Sunday 19 June 2016.

Our PDG John Barnes, Regional Rotary Foundation Coordinator 2015 – 2018 Zone 7B and Part Zone 8 and I extend our invitation to join Rotarians from our District and the our 4 Districts that cover Victoria to say farewell and good luck to RIPN Ian and Juliet.

Let us make this a big event.

Yours in Rotary

(PDG) Bob Richards  
Governor 2006/07

Completely anonymous so no names needed.

## MORE HELP WANTED PLEASE - RYDA

As emailed to members, we have been asked by Catherine Smith of Rotary Youth Driver Awareness program to assist at the forthcoming training day for Vermont Secondary College on Tuesday 19<sup>th</sup> April.

The venue is the Sandown Greyhound Racing Track, View Road Springvale with start time of 8-30 am and finish at 2-30 pm. Morning tea and lunch provided.

Our duties will include assisting the teachers to move students between sessions, time keeping, setting up equipment (bollards, marquees) and at the end of the day, helping to pack it all up.

Catherine advises that there will be 200 students and they will have important visitors from Toyota and Rotary in Geelong.

Catherine chose Forest Hill to assist so it's the least we can do to field a full team of six and the team will also learn from our involvement.

So far we have Stuart Hans, Anna, Barbara and me.

**We urgently need one more volunteer please!**

## LARRY KEEPS ON FLYING!

On 7/4/16 sight impaired children from Vision Australia had their inaugural visit to Blackburn Lake Sanctuary to take part in a Bush Experience program.

As part of the program the small children's booklet, our old friend Larry the Lorikeet, now produced in Braille, was used.

Larry was a Youth Service Project in 2014, initiated by the Rotary Club of Forest Hill and with support from Whitehorse Council. It featured writing and art skills from talented local secondary school children. Larry was produced to support an environmental education program at the Lake.

The book features a homeless Larry, looking for friends and a permanent home in the wild. Now Vision Australia children can share his travels, via the braille edition.

Close up of Larry in Braille. Larry was produced in 2014 by the RCFH. He still flies at Blackburn Lake Sanctuary and in schools throughout Whitehorse. Now the vision impaired children will also enjoy him.

The book of Larry is used in conjunction with hand puppets. The first Vision Australia group of pre-school children enjoyed Larry and other delights at BLS this month.

### UPDATE FROM OUR /TRAVELLERS – ROBBIE AND RON BROOKS

Rode into Rotterdam today. Warmest day so far with just 37km to ride but it was right into the wind so it was slow going. Staying on the ss Rotterdam which is a cruise liner permanently moored as a hotel. 6 decks of cabins plus a few more that have bars and two restaurants. Only asked the way 3 times today which is a record low. The maps and instructions are often just wrong. But everyone we stop to chat to is most helpful and friendly.

Am down to using only about a box of tissues and packet of strepsils a day. Eventually the cough and cold will go away. Just 3 weeks of it so far! We bought waterproof over boots and waterproof sou'wester hats each ready for the rain predicted for Wednesday. We have been lucky so far. Only one morning of rain that we had to ride in and getting saturated just riding the 5kms from railway station to hotel a week ago when we should have stayed in the shelter of the station for an hour til it stopped. We dried all our clothes off overnight and had a good hot shower then excellent dinner so no complaints. Watched some great footage of Matthew Hayman winning the Paris Roubaix. Take it easy.
