## **BILL'S BLURB**

Well we have started the run-down to the new Rotary year. It certainly doesn't seem like a year since I was getting ready to take over from Chris. At this stage you'd expect all of our projects to be completed and yet we are still on the go.

On Monday we had our Hand Brake Turn Presentation. Always a fun night that had an unexpected twist this year. The President left the meeting Running Sheet and the shields to be presented at home!! Not one of my better moves. A flying trip home and we were ready to roll and it all went according to the script thereafter. It was real pleasure to welcome Gary Davis for the second week in a row. Gary presented the award to Mathew Galea along with a few well chosen words of encouragement. It was lovely to see Mathew so pleased with his award and with the glowing praise from Phil, his supervisor from Hand Brake Turn. What was even better was to see the pride Mark, Mathew's father, took in his son's success.

On Tuesday I was joined by Ray Smith, Sue Warmington ((Pres. Nunawading), Nigel Cooper(Pres. MASH) and Don Sweeney (Pres. Box Hill Central) on a trip to Hand Brake Turn in Dandenong for their Graduation Ceremony. This is a low key affair but one that is filled with meaning for the teenagers involved and their families. When you see these young people who have taken the first step in trying to put their lives back on track collecting their certificates and the 'mile wide' grins on their parents' faces you know you are supporting a program with real impact. The winner of the Ford Davis Endeavour Award, Mathew, was re-presented with his award in front of his peers and the warmth of their applause indicated how well these kids had bonded together during the program. We then presented the inaugural Whitehorse Cluster Award to Kyle Olsen. Well we tried to without success. Kyle, who graduated from the previous course, could not make it to the presentation because he has gained full time employment! How good was that? Kyle's mother came to accept the award on his behalf and she couldn't have been more thrilled or enthusiastic if she had won it herself. You just knew there was going to be a special celebration that night when Kyle got home from work. A fantastic outcome and a great way to launch the new Cluster Award.

While all of this was going on John Elrington, from Box Hill Central, was busy gaining a further District Grant to enable the Cluster to sponsor a second participant in the Hand Brake Turn course. A great effort, John and it is very pleasing to see the six clubs working together to support such a great program.

On Wednesday Chris Tuck attended the RC of Nunawading meeting where he presented a cheque for \$1,000 on behalf of the club to Melanie & Leanne for a playground and extension to the food garden at the Hope Katola Nursery School. This was the latest step in our on-going commitment to Georgina and her little school in Kenya. The water tanks we had installed last year have made an enormous difference and we are sure this year's project will do the same.

There will be no meeting on Monday (Queen's Birthday) but the following weekend sees us involved in both the Whitehorse Farmers' Market and the Blackburn Market so it just keeps rolling on as we begin to prepare for Changeover.

**Enjoy your week in Rotary and keep working to "Light Up Rotary"**

## LAST WEEK'S MEETING

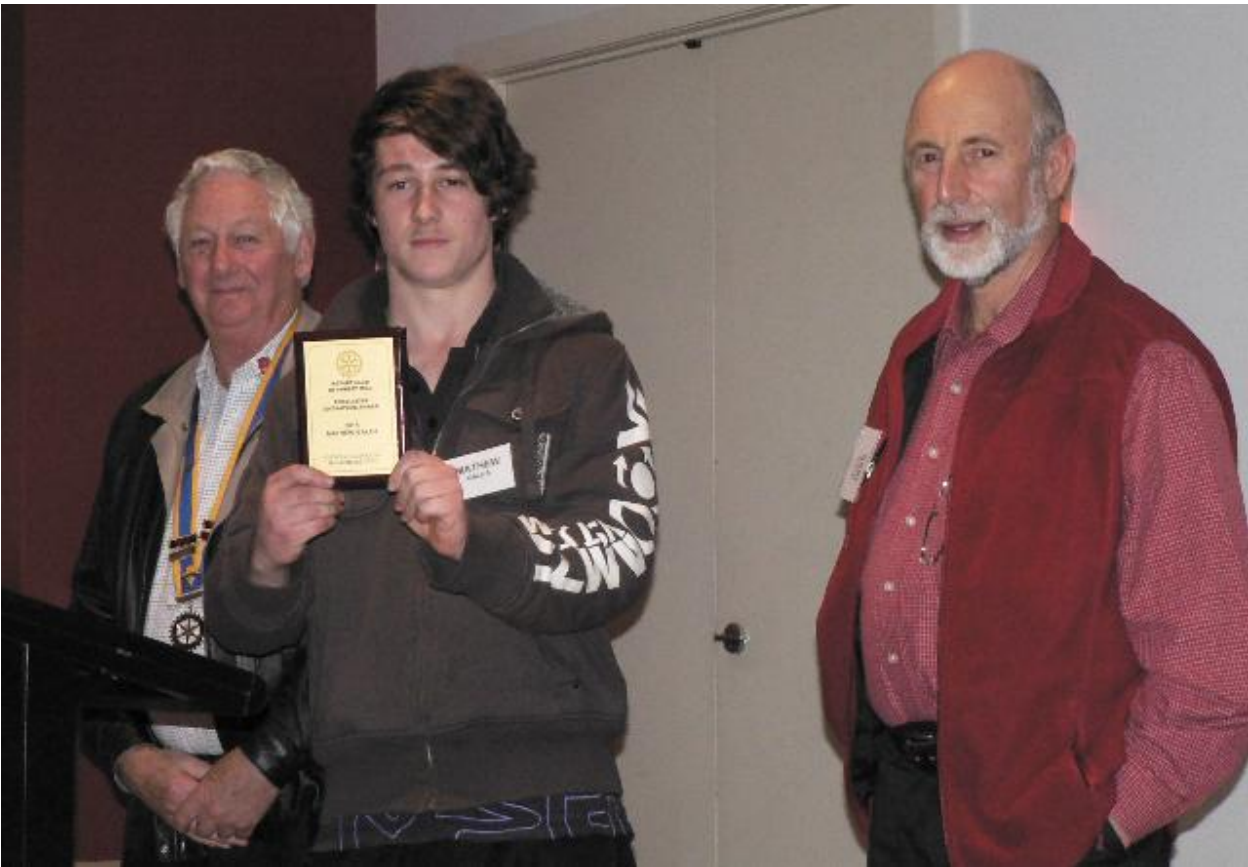

PE Bob welcomed two good friends of the club, Gary Davis and Pat Pridham to our meetings as Pres Bill got stage fright- where and why did he shoot off home? (He told us in his Blurb.) In opening the meeting, the sergeant had a few chosen words of wisdom as he does every week, this time regarding education. Mid you, we heard later in his sergeant's session a distinct lack of practical education.

Our sergeant's tale of woe included cutting through the power chord of his heater, suffering yet again from a "Cat's loss", and forcing the unit next door to his to be without water for hours while he tried to fix a tap, but he still managed to squeeze \$37.55 out of us for the Foundation. The raffle raised \$60 and our guest Mark Galea picked out Gary Davis's ticket – I hope he enjoys the red wine. In a very smart move, Gary thought we could afford a second prize with the \$60 take and I agreed wholeheartedly..... especially when he drew out the long suffering editor's ticket. So there went the white wine.

*Notes by the editor*

But the meeting was really all about project Handbrake Turn, Dandenong which comes under the Concern Australia umbrella. Our club has been supporting this project for the last five years. Handbrake Turn gives young men and women who perhaps have strayed a bit, the chance to learn about car mechanics, crash repairs, spray painting etc. Marc, the manager, Phil, one of the trainers and Mark Galea, the father came along to support Mathew Galea who was given his endeavour award by Gary Davis as this is another one of the awards supported by the Gysi Davis fund in honour of Ford and Eve Davis. We heard Phil tell us about past awardees Corey Sarlo (2012) who is now a 3<sup>rd</sup> year mechanic apprentice, Tum Hrang (2013) who was a refugee, Rochelle Grimes (2014) who has settled down, pregnant and had successfully continued with work. It is good to hear stories like "Done well. Working in smash repairs part time for last four weeks" when before Handbrake Turn the background was Heatherwood special needs school. This shows the value of such programmes and the value of Rotary and the Gysi Davis fund. Phil said that only 7 were left out of the 14 that started with Mathew which is a lower completion rate than usual and 19 (4 girls) are registered to start the next course.

Phil told us a little of his background starting with his life in Phillip Island boys home run by Franciscan monks. It was a no shoes, grey shorts and grey shirt, no coat, lots of discipline place which he left at 13 to make his own way in the world. He reminisced about "escaping" over the old single lane San Remo bridge to disappear for 3 weeks on a shark boat knowing about the whipping he'd get on his return..... but it was worth it! He then went on to serve in Vietnam and PNG before being demobbed in 1971, getting married, and selling his own car business after 40 years and becoming a Handbrake Turn trainer. No wonder Phil is so good with these young people. He told us he actually had Handbrake students at his business before he sold up. The graduation ceremony was the day after our award so Mathew was going to be re presented with his award again.

President Bill, Mathew Galea and Gary Davis

## FOREIGN COINS for UNICEF

So far, the Rotary clubs of Boronia, MASH, Waverley, Sandringham, Emerald & District, and Nunawading have supplied us with foreign coins to join with ours. The total now is **104 kgs plus the wad of notes** is getting much larger. Plus, the **RC of Hampton** have told me they are going to collect foreign coins at their monthly Farmers Market (a big thankyou to Kylie McMillan). Had a phone call from Donvale-Warrandyte to say they had over 4kg of coins they'd drop around. The list of clubs participating in this project is growing and clearly more are collecting and not telling me.

## REASONS FOR JOINING ROTARY

Jenny Coburn gave me 41 reasons. Have you got others you can tell us about? I am putting in a different one every week - **think about them when you talk to prospective members**

**Learning New Skills:** So many new opportunities arise through Rotary membership. Public Speaking, Chairing Meetings, Project Planning & Evaluation, Training & Facilitating, Leadership, Practical skills in international volunteering and so much more.

## WEBINARS

You can find Rotary webinars on the webinar page at:

<https://www.rotary.org/myrotary/en/learning-reference/webinars/upcoming> These webinars are a great way to learn more from the comfort of your own armchair....bed?

## DISTRICT CHANGEOVER DINNER

Pres Bill & Judy, PE Bob & Barb, and Ron & Robbie will represent the club at the annual dinner on Saturday 27<sup>th</sup> June at the Karralyka Centre when DG Tony hands over the reins to DGE David Tolstrup.

## FOREST HILL WEBSITE

Have a look, give me some ideas, send me a story to put on, give me some photos, tell me what you think of it, give me some feedback, tell me what is missing.

## AUSTRALIAN ROTARY HEALTH CONTRIBUTIONS

Many of you will have just received a letter from ARH, or will get one shortly, telling you of your recorded donation history. I think it's a great move by ARH to keep a record of everyone's individual contributions. This is a recent innovation ie to tell you what it is.

They have always kept records. Anyway, pat yourself on the back if you get a letter.

Most if not all the club are "Friends" having given at least \$100. When the ride to conference comes along most of you top up your contribution to which I, the ride to Conference committee and ARH are grateful. With your help, the **Ride to Conference** will top \$1,000,000 this coming ride to Shepparton, as they have less than \$40,000 to go.
