Reflection

Rotary, the pre-eminent World –wide service organisation is configured on avenues of service. Tonight is the jewel in the crown of the VOCATIONAL Service area.... Our apprentice awards dinner.

It seems that all roads that lead to success have to pass through HARD WORK BOULEVARD at some point. And it is not coincidental, that hard work puts you where GOOD LUCK can find you. I saw a quote that said, "Work hard and become a leader, be lazy and become a slave."

I am sure tonight we will hear many stories about endeavour and work. Let me close with some words from Barack Obama – "Progress will come in fits and starts. It's not always a straight line. It's not always a smooth path."

I am so proud of the Rotary Club of Forest Hill. This small group of dedicated Rotarians- does stuff. We achieve, we get things done.

Last week was another very impressive Apprentice Award Dinner. Great support from Box Hill Institute and they genuinely appreciate our efforts. A couple of their staff are on first name basis and value our efforts and the contribution of the Gysi-Davis family. The selections made by the staff fitted our selection criteria so well. Ford Davis would have been thrilled. Recognition of endeavour. Congratulations to the award winners- Jack Skinner- Timber Trades, Jarrah Pitt – Automotive, and a pocket dynamo, Ferande Anciano – Electrical. This young woman works for one of the world's largest lift manufacturers, Schindler.

Our awards of tool boxes, tools etc is so impressive. Also impressive was our guest speaker, Indi Hangan who had won a Ford Davis award, eight years ago. Indi glows with pride when Rotary and particularly our club is mentioned. So many companies shun apprentices and don't want to invest in their future. Indi has 22 apprentices and 47 employees. He is certainly giving back to the community that supported him.

Such a big night just does not happen. It takes many hours of coordination and preparation. A big thank you to Sue, Ray, Bill and others who assisted.

We then backed up that big night with a big effort for RYDA. Ian, Ron, Martine, Jafrin, and Mirjana (a Probus volunteer) joined me at Springvale. Another successful day that hopefully will impact positively on our horrendous road toll.

It was then pancakes on the run early on Tuesday morning at Forest Hill College. Ian and Judy Laslett were the cooks. I am sure Ian would have been "Rotaryouted" by the time he got home late Tuesday afternoon.

Our Footy tipping had Dana Roles tip 9 winners. Only Warwick and Dana have tipped 9 in a round this season.

I attended the cluster Presidents' meeting last Thursday evening. Topics discussed:

- The future of the Whitehorse Farmers Market van.
- WFM agreement. April 18th the previous presidents discussed the issue. exAG Diane Fisher undertook to produce an agreement. We have requested Diane finalize an agreement by mid-August.
- I hope we are able to get a table of 12-14 for the R C Nunawading Interplast Fund-raiser. It is a mid winter cabaret. Saturday 17 August.- Ringwood. Last year was a good fun night. Money raised by us gets credited to our club's contribution to Interplast.
- Discussion of storage of Rotary documents- current and historical. It is suggested we store them on Google Drive- everything is stored in the cloud. Records can be password protected. HELP—we will have an opportunity to ask Sarah Power (Whitehorse Rotaract President) when she visits in a fortnight.
- Whitehorse Spring Festival- 20 October. Important for exposure. Need to be selective with what we hand out. Our clubs will have a presence.
- Parma's for Polio- October 3, The Coach Ringwood. Organised by Newgen Satellite Club.
- Discussion of some social functions- from R C Box Hill. Not fund-raisers. Maybe a magic night.
- R C Nunawading is proposing a big function for 2020, have booked Town Hall, to celebrate Rotary's 100 years in Australia.
- MASH has a Trivia Night at Taralye 12 October.
- R C Box Hill Central- Grand Final Breakfast on 25 Sept. Proceeds to SALT. It is usually a good function.
- Same club is wanting a woman to join their committee for the International Women's Day Breakfast. Meets once a month until October, then fortnightly.
- If we want articles in Leader newspaper- email whatson@leadernews.com.au

MEETING REPORT

The meeting this evening was a very special one with our annual awards to apprentices of The Box Hill Institute.

There were some 29 people present made up of 3 award winners, 15 club members, a special guest speaker, partners, staff of The Box Hill Institute and award winners' guests.

The guest speaker for the evening was a previous Ford Davis apprentice award winner, Indi Hangan, who won the award 8 years ago for carpentry.

Indi made an inspiring presentation aimed at the young apprentice award winners. Indi spoke of the success of his current business, Tiny Houses, and the fact that he spent 2 weeks in the Solomon Islands as a volunteer building nursing accommodation. Today Indi employs over 40 staff including over 20 apprentices in his business.

Importantly, Indi thanked the Davis family for his award 8 years ago which gave him a 'leg up' and confidence by being recognized for the award. But to the new award winners he stressed the importance of making the most of any opportunities offered and 'grabbing it'.

Indi could not have been a better speaker for this occasion providing motivation to the award winners.

Roger Davis

Indi Hangan

Roger Davis then spoke to the award winners about doing your best and giving 100%. Roger spoke of the reason why The Davis Family supports these endeavour/achievement awards and how his father Ford had influenced his sons with a strong work ethic.

Prior to each winner receiving their award a representative from each trade school spoke as to why their student was chosen for the award. By the way, the award for each apprentice was an extensive tool kit specifically tailored to the apprentice's trade.

Some of the reasons, the staff of the Box Hill Institute, based their selection for the awards included, attitude, presentation, had to work to achieve, keenness, responsibly, quality of work, great student in class, asked questions and ability to overcome adversity.

The winners were:

1. Timber and Trades (Ford Davis Award) Jack Skinner;
2. Automotive (Ford Davis Award) Jarrah Pitt
3. Electrical (G. Taylor Award) Fernande Anciano.

Overall it was a great Rotary Club night. The Raffle raised \$94.30.

PERIDOT THEATRE

The Diary of Anne Frank

by Frances Goodrich & Albert Hackett

Directed by Kellie Tweeddale

Two Jewish families are forced to hide from the Nazis in a secret annexe in Amsterdam. In her tiny room, Anne Frank keeps a diary, detailing the claustrophobic realities of daily existence experienced by the families. She also records her own coming of age, battling low spirits and loneliness, fighting with her mother, and falling in love for the first time. Despite her oppressive circumstances, her spirit shines through as she voices her belief that 'people are really good at heart'.

ROTARY MONTHLY THEME

Time to celebrate Membership month. Talk to your friends and workmates and let's get at least one new member in August.

COLLECTING BOTTLE TOPS – A NEW FOREST HILL PROJECT

Turn soft drink, water & milk bottle tops to THESE

Our collection has got off to a good start. I'm sure all of you will have 1 or 2 a week at least. Please bring them along The tops should be numbered either No 2 or No 4 in the recycled triangle but not all are marked so just collect all of these tops, any colour will do. Not those with metal attached or if they are marked 5 or 7. Please rinse them. There will be a box to drop them in at the desk when you front up to pay. Get your family and friends involved. They will go to a Melbourne not-for-profit company using unemployed people who remelt the plastic to make things they then give away including artificial arms and hands. To see more go to their website (www.envision.org.au) and hear what their CEO Sean has to say. He is our guest speaker on 16th Sept.
