BOB'S BELLBIRD BLOG

A great night – what an inspiration Twanny is. Stan raised \$43.80 for our Foundation. Great news too about Phillip Johnson gold medal winner at the Chelsea Flower Show and speaker at the recent 9810 conference –his dad is in the Box Hill Club and is frequently on “tap” at the Whitehorse Farmers Market.

Some other great news

- ABCD Gala Dinner-24 May -6.15 for 6.45pm
- Healesville Freeway Community Open Day 26 May
- Monash Concert Band-2 June-2.00pm
- DG Changeover- 15 June
- Jonathon Usher-30 July-7pm- The Beaumaris
- Primary school speech contest-26 August-Mount Pleasant PS
- Schwerkoldt Cottage -15 September
- District Conference – 20-23 March 2014 –Bendigo

Our Box Hill Institute Awards night this week - an important night for the club. Come along and bring your friends and partners. It should be fun. As this is my last Blog for the year, many thanks to all who have contributed. Don't forget flyer submissions should be sent to Chris tuck@netspace.net.au from now on.

LAST WEEK'S MEETING

Reporter's note. As temporarily I don't have the full use of both my arms (and by association, hands and fingers) this will probably take twice as long to type and so I apologise if anyone takes twice as long to read it.

To the work at hand (singular) - sorry an “armless” joke.

As well as our speaker, Twanny Farrugia and his lovely guide dog, Val, we had in attendance Jenny Coburn from MASH and partners Judy Laslett, Judy Marsh and Barbara Williams.

Sergeant Stan opened with a peace story on our involvement many years ago in a Rotary project to assist in the Chernobyl Children's Village and even had a poster to show us. Only you would go to this trouble Stan. Thank you.

It should be noted that Val was lying beside me and stood when we all stood for the toasts. A very loyal, smart and observant dog!

Jenny spoke of the need for assistance for a community radio program which is due to fold unless volunteers are found to assist the Canterbury Rotary club and so they are looking to Whitehorse clubs for help. Contact Jenny if you think you could assist.

Pres Bob spoke of the need for someone to attend the District Governor's changeover as he and Judy will be away from the 28th May. Contact Bob if you can attend. He also advised to send bulletin material to Chris when he is away.

Glenys spoke of the District Assembly on the weekend. Ray advised that all is in hand for the Apprenticeship Awards night next Monday. John told us that Handbrake Turn starts a new program soon and he has applications for the National Science School starting to come in.

Bill was allowed several goes (spoilt), finishing with reading an email from Ron and Robbie about them having a great time in Belgium and living on beer and chocolate.

Stan's usual entertaining and informative sergeant's session which raised \$43-80. There is a lot of pressure on whomever? is doing it next year to keep up the standard.

Warwick introduced Twanny by informing us of the early days of kidney experimentation involving the Lady Nell Dogs Home and felt privileged to be able to introduce our speaker.

Twanny Farrugia was 18 when he had his kidney transplant and by coincidence was the 18th kidney recipient in 1971 at St. Vincent's hospital. He is a retired grief counsellor and now works for Donate Life speaking to many organisations such as schools, Probus and Rotary clubs.

Before his operation his weekly routine was 8 hours on a dialysis machine each Monday, Wednesday and Friday with the next day recovering so had only Sunday “free”.

He also has low vision, has had new hips (5?), heart valves etc etc, so seems to be working on replacing all his body a piece at a time.

He has made the most of his life since receiving his life saving organ donation, including car racing amongst many other varied pursuits.

He is an honorary member of Kidney Health Australia and Dialysis and Transplant Association of Victoria for his many years of work.

He is so grateful for his wonderful guide dog and advised that it costs \$30,000 to train a guide dog and all by donations.

Up to 10 people can benefit from one organ and tissue donor but there is always a long waiting list with currently 1600 in Victoria waiting from 6 months to 4 years with many not living long enough

to receive a transplant. Australia uses the "Opt In" method where potential donors need to fill in forms and register with Medicare and he advises that this should be done in consultation with family members. Anyone can be a donor with the oldest being 83 so far.

You need to die in hospital for your major organs to be transplanted. Victoria has the best record of donors in Australia but there is a world-wide shortage so he urged all of us to consider becoming a donor and left various pamphlets for us to take to assist.

A thought provoking and informative presentation and our thanks to Twanny (and Val) and Donate Life.

PEACE

RI President Sakuji Tanaka (center) joined Rotary leaders in placing wreaths in Hiroshima Memorial Park during the third Rotary Global Peace Forum in Japan. Participants adopted a declaration, "Peace Begins With You."

In a ceremony heavy with symbolism, RI President Sakuji Tanaka joined other Rotary and community leaders on 17 May in laying a wreath in Hiroshima Memorial Park, dedicated to the victims of the atomic bomb dropped on the city during World War II.

The subject of peace has been at the heart of Tanaka's year as Rotary's president. A member of the Rotary Club of Yashio, Japan, Tanaka selected Peace Through Service as RI's theme for his year, and he organized three global peace forums to motivate Rotarians and others, particularly youth, to work for peace in their daily lives.

ROTARY CLUBS PLAY A VITAL ROLE IN KIDS EDUCATION
